**TransformTrade**  
Transform Trade supports producers across the world - helping them to build a bright future for their communities and fight for a fairer trade system. Through a combination of direct grants, long-term support, and advocacy, we help producer collectives and social enterprises to thrive - and show the world that a better way of doing business is possible. We work across East Africa and South Asia, and our focus is on making change in the farming, fashion and tea sectors. Proud to continue the legacy of
